Dear Industry Representative:

We are requesting your review of Advisory Circular (AC) 150/5380-7B, Airport Pavement Management Program. This AC discusses the Airport Pavement Management System Program (APMPS) concept, its essential components, and how it can be used to make cost-effective decisions about pavement maintenance and rehabilitation (M&R). The terms “pavement management program (PMP),” “pavement maintenance-management program (PMMP),” and “pavement management system (PMS)” are interchangeable.

We request concurrence with the enclosure. We will consider comments received by June 18, 2014, for inclusion in the final advisory circular.

Submit comments on the provided COMMENTS MATRIX, which references the paragraph and line number in question with your recommended change. Please EMAIL (Do not mail) the completed MATRIX to Gregory Cline at Gregory.Cline@faa.gov.

This Draft AC along with the distress manuals described in Appendix C of this AC, are available and can be viewed at the FAA Airports website:
